Spa'ing for \$49

And, I'm not talking about DIY.

The other day I had the most amazing facial at Simply Face & Body in Ramsey, NJ. Mind you, I've been spa'ing for ... years! And get this -- it only cost \$49! The spa boutique's unique concept is all about offering clients high-quality service, convenience *and* doing so on a budget. There isn't a wet lounge of jacuzzis and steam rooms, so you just walk in, get your treatment, and leave.

Here's how it works: First-timers pay \$49 for their first treatment (facial or massage). Then, if you become a member, all you have to do is pay \$59 a month and that will entitle you to one treatment a month (again, either facial or massage). Then, every facial or massage in addition to that will only cost you \$49. The best part is, if you don't use your one monthly treatment, it rolls over. As a member, you'll also get a 15 percent off on lots of organic products they sell onsite and discounts on the waxing services they offer.

It's really a sweet deal especially during economic times like this. So if you're in the North Jersey area and want a convenient spa experience, visit Simply Face & Body located at 39 Interstate Shopping Center in Ramsey, NJ. For more information, go to SimplyFaceandBody.com.
